ServiceNow University — ServiceNow Administration Fundamentals | 2026 | Training / Hands-on Learning
Micro-Certification – Welcome to ServiceNow | ServiceNow | Completed September 2026

SERVICENOW PROJECTS

Mobile Service Request & Fulfillment | ServiceNow Personal Developer Instance **Sep 2026**

- Configured a Service Catalog item for mobile service requests with multiple service options and catalog variables.
- Created variables for mobile owner, service dates, mobile operating system, and requested services.
- Built a Flow Designer workflow to retrieve 5+ catalog variables across 3+ services, route approvals, and create Catalog Tasks after approval. Used Reference Qualifiers to restrict selectable users.

ITSM & ServiceNow Administration Practice | ServiceNow Personal Developer Instance **Sep 2026**

- Practiced administration of users, groups, roles, Incident Management, and core ITSM processes.
- Configured Knowledge Base content and worked with Incident, Problem, and Change Management concepts.
- Configured Client Scripts and UI Policies to control form behavior and field interactions.

INTERNSHIP

Intern — EY Global Delivery Services & AICTE **Feb 2025 – Mar 2025**

- Coordinated with a project team to track deadlines, manage budget analysis, and report progress for an internal project management application (PRO-MAN).
- Organized and documented project requirements and feature updates for internal stakeholders.
- Contributed to building a more usable, responsive interface, improving day-to-day team reporting workflows.

TECHNICAL SKILLS

Java, JavaScript, MySQL, REST APIs Git, GitHub, OOP, Data Structures & Algorithms, DBMS, Operating Systems, SDLC

CERTIFICATIONS & ASSESSMENTS

- Duolingo English Test Certificate — Score-130/160
